

## Job vacancy

woh|group consists of seven worldwide operating virtual airlines and has been established in 2000. Our voluntary, interactive and pleasant team is always looking for support.

In line with our current restructuring program „**Organisation 2020**“ we have created the following position to further share our duties:

# Manager Boardshop

Your tasks are

- Development or Redesign of our current Boardshop, including rebranding and choice of our shop-partner in cooperation with the CEO
- Choice and design of our products in line with our Corporate Identity Guidelines
- Increase of our Shop Revenues to support financing our woh|group

The position fits to you, if

- you are interested in Aviation and you are creative,
- you think in an entrepreneurial way and
- if you have at least half an hour time per week for this position.

If you are interested and you feel like supporting and developing woh|group together with us, we are looking forward to your application to [florian.brunner@fly-woh.com](mailto:florian.brunner@fly-woh.com).
